

Salzburg, Austria

Wake Tech CC Salzburg Summer Session

June 15-29, 2024

The 2-week faculty-led Summer Session offered by Wake Tech CC in cooperation with Salzburg College offers an introduction to various aspects of Austrian and European society and culture. The academic course work emphasizes the special opportunities provided by the Austrian/Salzburg setting. Course related field experience as well as visits to historical sites, to cultural institutions and the attendance of cultural events constitute an important part of the program.

Course Offerings

BUS 137 PRINCIPLES OF MANAGEMENT (3 hrs)

This course is designed to be an overview of the major functions of management. Emphasis is placed on planning, organizing, controlling, directing, and communicating. Upon completion, students should be able to work as contributing members of a team utilizing these functions of management.

INT 110 INTERNATIONAL BUSINESS (3 hrs)

This course will teach you all about doing business globally. Students will learn geography, ways to enter foreign countries, how to conduct yourself culturally and effectively with other countries and will become familiar with the layout of current situations that can and or will affect your chances of getting into a career job. Students may complete one course per session.

Students may complete **one course per session**.

Excursions

A variety of field trips and excursions constitute an integral part of this session's academic program. Course related excursions take students to various institutions and organizations throughout the region.

Housing

Students share a room at an Austrian student hostel/dormitory. Breakfast is included. Stores and a variety of restaurants are in the vicinity distance.

Application deadline: February 1
