2018-2019 Sponsored Programs Report

To foster innovation and address the unmet needs of the college, Sponsored Programs partners with leaders across the college to raise and manage funds in the form of grants and appropriations from federal, state, and local governments. Wake Tech was awarded grant funding for 33 projects

- ✓ For-Credit Education & Training: With funds from the John M. Belk Endowment and the Lumina Foundation, Wake Tech, UNC General Administration, and the NC Community College System are launching the Finish First NC initiative across the state. Finish First NC is a data tool developed at Wake Tech to analyze thousands of student transcripts against program requirements to identify students who are close to earning a credential and find students who may not have realized that they have already earned a credential.
- ✓ Non-Credit Education & Training: The NC Division of Vocational Rehabilitation awarded funds to UNC Chapel Hill and Wake Tech to implement the School Transition to Employment Program (T-STEP). The T-STEP program assists 16 to 21 year old students on the autism spectrum in their transition from high school to secondary education and the workforce.
- ✓ Enrollment & Student Services: With funds from the Sun Trust Foundation, the Student Money Management Initiative provides students with the resources, tools, and financial education needed to be fiscally responsible today and after graduation.
- ✓ Physical Facilities: Supported by the Triangle J Council of Governments, the Green Trek project works with community partners to provide students, faculty, and staff with free bus passes and information on ride sharing to decrease vehicle miles traveled and increase access to alternative transportations modes.
