Dear Dr. Ralls:

The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) Committee on Fifth-Year Interim Reports reviewed the institution's compliance with select standards of the *Principles of Accreditation (Principles)* outlined in the SACSCOC Fifth-Year Interim Report. The Committee requested no additional reporting on these standards.

**Evaluation of the QEP Impact Report**

The institution has adequately described the initial goals and intended outcomes of its QEP, discussed the limited changes made in the QEP, discussed the impact on student learning and/or student success, and described what the institution has learned as a result of the QEP experience.

We appreciate your continued support of SACSCOC activities. If you have questions, please contact your SACSCOC Vice President.

Sincerely,
