RESIDENCY DETERMINATION SERVICE — 10 THINGS TO KNOW BEFORE YOU START RDS

1) WHY RDS? It's the law in NC to:

- qualify for in-state tuition at NC public colleges and universities
- be eligible for NC State GRANT consideration at all NC colleges and universities

2) DO RDS FIRST:

- **BEFORE** your College Admissions Application (a residency certification number is required by NC Community Colleges before you submit an application.)
- **WITH**, your parent/legal guardian
- **FAFSA** too. Since much of the information is the same if applying for grants or loans, complete FAFSA, too.

3) WHAT INFO WILL YOU NEED FOR RDS?

Younger than 24; Information from you and your parent/legal guardian:

- Social Security Number (SSN) (or other identifiable number); NC tax return filing information
- NC vehicle registration and NC driver's license
- NC voter registration
- Other information about residency in North Carolina

Younger than 24 and independent of parent guardianship; Information to PROVE you are financially independent from your parent/legal guardian:

- W2s, 1099s or paystubs to prove your income for the last 18 months
 - Proof of address in NC and living continuously in NC the last 12 months
 - Other information about residency in North Carolina
- Age 24 or older Information about yourself:
- Social Security Number SSN (or other identifiable number)
 - NC tax return filing information
 - NC vehicle registration and NC driver's license
 - NC voter registration

- Other information about residency in North Carolina

4) DACA Students are not eligible for NC Residency for Tuition Purposes

- When asked in RDS Online Interview, DO NOT claim residency. You will receive an RCN, be determined a Non-Resident and can complete college admission applications (using your RCN)

5) US Citizens with Undocumented Parent(s) can request an Appeal

- The RDS Online Interview depends on Social Security Number (SSN) or other identifiable numbers to check NC State Agencies' data to help prove your claim of NC Residency for Tuition Purposes. If your parent/legal guardian chooses not to enter an identifying number, the RDS Online Interview determines you to be a Non-Resident.

6) REMEMBER:

- **RDS** uses your **CFNC** login
- **BE ACCURATE:** Mistakes cause BIG Problems
- **FINISH:** Interview will be cancelled if not completed in 25 days
- **DON'T GUESS:** Guessing = Non-Resident
- **SUBMIT DOCS:** RDS shows if you need documents; upload or fax to RDS

7) WHEN YOU ARE DONE:

- Keep your Residency Certification Number
- Know your Classification:
 - "Resident" or "Non-Resident"
 - "In-State" or "Out-of-State"
- Submit your Documents: 20% of applicants are required to submit additional documents

8) DON'T AGREE or DISAGREE with your determination?

- Made a mistake on the application? Request a **RECONSIDERATION**.
- **APPEAL** to provide special information; you have 10 days to request an appeal
- Call **RDS** toll-free: 844-319-3640

9) FINISH YOUR COLLEGE ADMISSION APPLICATION:

- Go to **CFNC.org APP HUB** (RCN prefills on **CFNC** applications) or go to college website (enter RCN when asked)

10) WORST MISTAKES YOU CAN MAKE:

- Creating a new account in RDS, if you already have a CFNC or RDS account
- Moving too fast
- Incorrect identifiers – Name, Date of Birth, and SSN (for you and your parent / legal guardian) **MUST BE** correct
- Entering Name, Date of Birth, and SSN differently than on your college admission application
- **SKIPPING** questions, NOT answering questions or giving **INACCURATE** answers
- **NOT** providing your parent / legal guardian information if required (if you're under 24)
- **NOT** giving financial information when trying to prove you are **INDEPENDENT** of parent / legal guardian
