Scholarship information year-round

Application Tips

- ONE application only!
- Answer some basic questions
- Can log in multiple times
- Upload your essay

ESSAY QUESTION:

How will receiving this scholarship help you achieve your educational and career goals and give back to the college or community?

1. How will receiving this scholarship help you?

2. Educational and career goals

3. Give back to the college or community

Essay Tips & Guidelines

Essays must be in your own words. Use of Generative AI tools like Chat GPT may result in removal from award consideration.*

- At least 200 words (about 2 paragraphs)
- Must address all parts of the prompt
- Anonymous – do not include your name!
- Scored on:
  - Content (70%)
  - Grammar, spelling, punctuation (30%)
- Must be in Word or PDF format ONLY
- Use your resources (TLC, peer review, faculty advisor, etc.) to help with your essay!

Pro Tip – Complete a FAFSA

- The FAFSA application and the Foundation Scholarship application are separate processes.
- You can fill out one or the other or both.

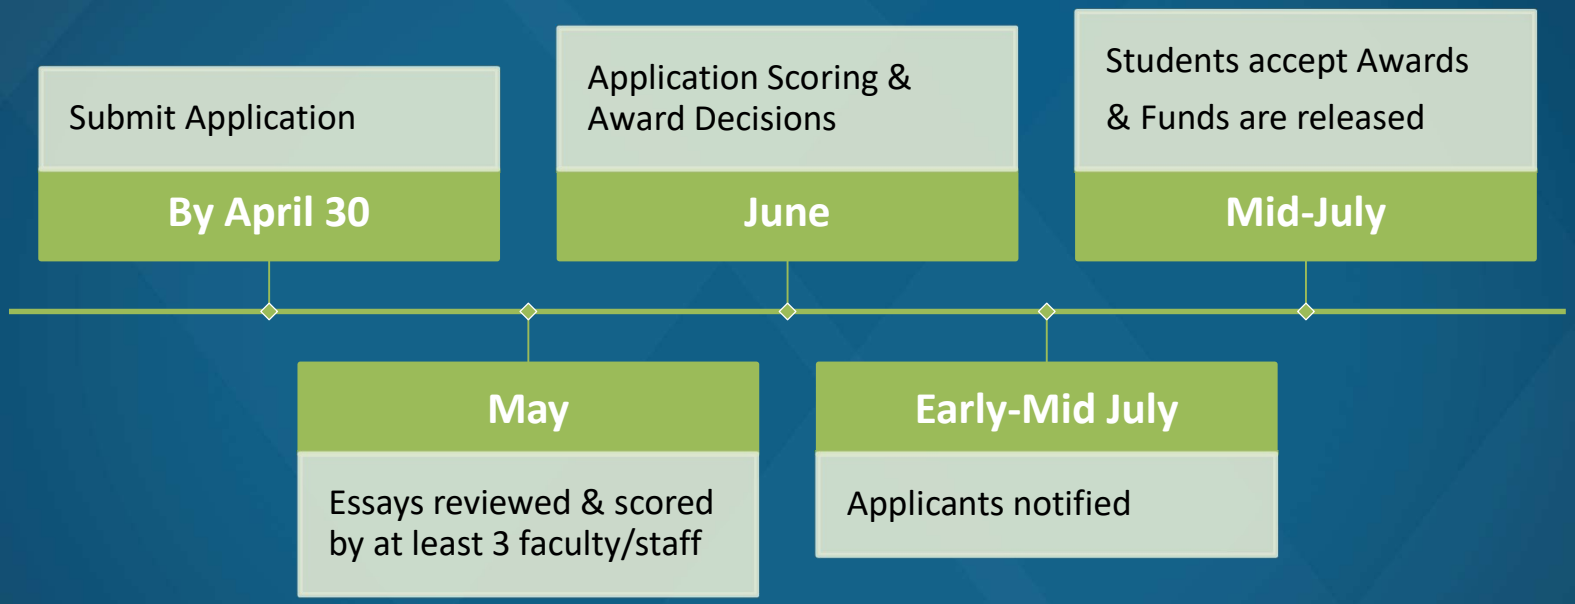
FAFSA + Scholarship Application:

- Foundation scholarships use info from the FAFSA to determine need
- Completing the FAFSA will make you MORE competitive for need-based awards
- This is true even if you do not receive a Pell Grant

Scholarship Application + No FAFSA:

- You will still be considered for all scholarships you qualify for (including need-based awards)
- Students are eligible for Foundation scholarships even if they are not eligible to complete a FAFSA

Award Process/Timeline



Award offers are sent to Wake Tech student emails
We also send text message reminders
Students must attend Wake Tech to receive scholarship
