

WAKE WE ARE TECH

SPRING 2020 VIRTUAL COMMENCEMENT | JULY 25, 2020

FROM THE PRESIDENT

Dr. Scott Ralls
President

Dear Wake Tech graduates,

It gives me great honor as President of Wake Tech to congratulate you on your graduation. Many classes have come before you, but none have experienced a year like the Class of 2020. In many ways, it has been a year of challenge for all of us. For many of you, the weight of being a college student during a challenging year also comes while working, parenting, caretaking and other life activities that most community college students face while attending college.

That is why your achievement that we celebrate today is particularly momentous, and why you and your family should take great pride in your accomplishment. Your resiliency and commitment has brought you to this milestone today, and that experience will contribute to your success in the future. You are not only prepared to address the challenges and changes that will confront you in the future, but you are also uniquely poised to be a positive changemaker in our communities. We look forward to watching you fly!

On behalf of our Board of Trustees, faculty and staff, please know that we are very proud of you and we have been honored to have you attend Wake Tech. We wish you great future success and fulfillment!

A handwritten signature in white ink, appearing to read "DR. RALLS". The signature is stylized and cursive.

Dr. Scott Ralls

THE WAKE TECH MACE

A mace, once a type of club used in combat, has become a ceremonial staff and a symbol of order and command used by governmental, religious, and higher educational institutions throughout the world. When used in college and university ceremonies, the mace represents the authority and independence of the institution and its faculty.

The Wake Tech mace, created by Lawrence Wiedel, was officially presented in 2013 to commemorate the college's 50th anniversary, by the Beta Alpha Zeta Chapter of Phi Theta Kappa International Honor Society.

The mace is made from a variety of hardwoods to symbolize Wake Tech's cultural diversity. The handle is made of burl walnut; the top, made of African zebrawood, bears the Wake Tech seal on one side and the Eagle mascot on the other. Supporting the seal is a brass ring engraved with Wake Tech's core values: accountability, respect, responsibility, critical thinking, communication, and collaboration.

SPECIAL HONORS

American Institute of Architecture: *Light blue cords*

Honors Program: *Navy and gold cords*
Students who have been accepted into the Wake Tech Honors Program and earned Honors credit in specific courses

National Society of Leadership and Success (Sigma Alpha Pi): *Black and silver cords*
Students who have been inducted into the National Society of Leadership and Success

National Technical Honor Society: *Purple and silver cords*
Students who have been inducted into the National Technical Honor Society

Phi Beta Lambda: *Yellow stoles*
Students who have participated in Phi Beta Lambda, an organization preparing students for business-related careers

Phi Theta Kappa (PTK): *Gold stoles and tassels*
Students who have been inducted into the Phi Theta Kappa academic honor society

Service Learning Program: *Green cords*
Students who have earned Wake Tech Service Learning credit in 3 or more courses

Sigma Delta Mu, Spanish Honor Society: *Red and gold cords*

Student Ambassadors: *Purple cords*

Student Government Officers: *Red cords*

Veterans: *Red, white, and blue cords*

WTCC Orientation Leaders: *Navy and white cords*

FACULTY DISTINCTIONS

Assistant Professors
White cords

Associate Professors
Blue cords

Professors
Silver cords

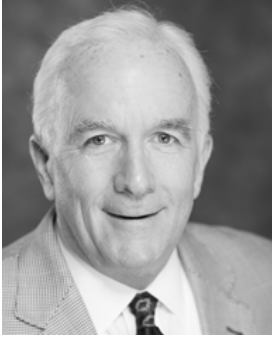

Senior Professors
Gold cords
