

What are Self-Supporting Classes?

- Self-supporting classes are identified in the class schedule with an “S” at the end of the section number, like ENG 111-0001S.
- Self-supporting classes are assessed a registration fee of \$83.00 per credit hour for in-state, or \$264.00 per credit hour for out-of-state.
- Because the self-supporting fee is a FEE and not tuition, there are no waivers.
- The self-supporting registration fee does NOT count toward the 16 hours or more that you can register for before your tuition reaches the maximum of \$1,152.00 for in-state or \$4,224.00 for out-of-state.
- Why do we offer some classes as self-supporting and some at the regular tuition rate? We are not funded for curriculum classes that we run during the summer term. So, in order that we might be able to offer more classes that our community wants, we offer some with a self-supporting registration fee to help offset the cost of running the class.

Example 1

In-State student registers for 16 hours of regular tuition classes (no s at the end of the section number) and a 3 hour self-supporting fee class (s at the end of the section number).

16 hrs X	\$72.00	\$1,152.00
3 hrs X	\$83.00	\$249.00
Subtotal (before other fees such as student activity tech fee, etc.)		\$1,401.00

Example 2

Out of State student registers for 16 hours of regular tuition classes (no s at the end of the section number) and a 3 hour self-supporting fee class (s at the end of the section number).

16 hrs X	\$264.00	\$4,224.00
3 hrs X	\$83.00	\$249.00
Subtotal (before other fees such as student activity tech fee, etc.)		\$4,473.00
