Dear Dr. Scott:

Thank you for your letter of April 18, 2008, and the notification of changes at your institution:

To be offered on the main campus:

Associate degree, Cosmetology, spring term, 2009
Associate degree, Interior Design, fall, 2008
Associate degree, Baking and Pastry Arts, fall, 2008

To be offered at the Health Sciences Campus:

Diploma in Pharmacy Technology, April, 2008

The four sites listed, at which students may earn 25-49% of a program's credits, were all in operation during the 2005 reaffirmation committee visit. Further notification for them is not warranted unless 50% or more of a program's credits are available at the site. We accept the notification and require no additional information from you.

We apologize for the delayed response to your substantive change.

Best regards,

Belle S. Wheelan, Ph.D.
