Dr. Stephen C. Scott
President
Wake Technical Community College
9101 Fayetteville Road
Raleigh, NC 27603-5696

Dear Dr. Scott:

Thank you for your letter of July 31, 2008, and the notification of changes at your institution. You notified the Commission in your letter of May, 2008, of your intent to collaborate with the College of the Albemarle to offer the Mechanical Drafting Technology diploma program, effective fall, 2008. You are now notifying the Commission that the agreement was never finalized, and that the program did not materialize. We shall add this information to our files.

Your letter also notified the Commission of your intent to terminate the Real Estate associate's degree and the Real Estate Licensing certificate programs. **What are the effective dates of the terminations?** No students were admitted to the two programs in fall term, 2008, and continuing students have been given the opportunity to transfer to a closely related curriculum, Business Administration. The faculty member associated with the program has transferred to the Business Administration program. The classroom and lab equipment connected with the program is being used by the Business Administration program. We accept the notification and, except for the implementation dates, require no additional information from you.

Best regards,

Belle S. Wheelan, Ph.D.
President
Commission on Colleges
