Dear Dr. Scott:

Thank you for your letter of April 29, 2010, providing notification concerning an off-campus site where, effective fall 2010, students may earn 25-49% of the credits required in the Certificate in Business Administration: Business Core.

The site where the courses representing 37.5% of the credits required in the program will be offered is as follows:

North Carolina Wesleyan College  
Triangle Campus  
2000 Perimeter Park Drive  
Morrisville, NC 27560

**We accept notification concerning the offering of 25-49% of the credits in a program at the above off-campus site and request no further information.** The College is reminded that should students be able to earn 50% or more of the credits required in a program at that site, it should provide notification six months prior to the implementation date and submit a prospectus for approval of the site at least three months prior to the implementation date. If you have questions concerning submission of a prospectus, please contact your staff representative, Dr. G. Jack Allen, by telephone at 404-679-4501, ext. 4524 or by email at [jallen@sacscoc.org](mailto:jallen@sacscoc.org).
