Dear Dr. Boone:

Thank you for your letter of July 25, 2011, providing a correction concerning termination of the collaborative agreement with Johnston Community College involving the Interventional Cardiac and Vascular Technology diploma program.

The College reported in a letter, dated May 6, 2011, that the agreement would be terminated, effective summer 2011. However, the letter referenced the program as an associate degree program instead of a diploma program.

We acknowledge correction of the May 6, 2011 letter submitted by the College, will add the information to our files, and request no further information.

Best regards,
