Dear Dr. Boone:

Thank you for your letter of October 22, 2010, providing information concerning termination of an agreement to offer courses at North Carolina Wesleyan's Triangle Campus.

In our letter to you dated July 30, 2010, we accepted notification that, effective fall 2010, students would be able to earn 25-49% of the credits required in the Certificate in Business Administration: Business Core.

However, the College did not offer any courses fall 2010, as planned due to budget constraints and is terminating the agreement with North Carolina Wesleyan College to offer courses there.

We will add this information to our files and request no further information. Should the College plan to offer 25-49% of a program at the site in the future, notification should be provided prior to implementation. Should it determine to offer 50% or more of a program at the site, it should provide notification six months prior to implementation with a prospectus for approval of the site submitted at least three months prior to implementation.

Best regards,
