Dear Dr. Boone:

Thank you for your letter of December 9, 2011, notifying the Commission on Colleges that Wake Technical Community College is reporting the termination of the collaborative agreement with Vance Granville Community College pertaining to the Global Logistics Technology Program, effective January 1, 2012.

Since Wake Technical Community College and Vance Granville Community College now offer separate Global Logistics Technology associate degrees, both institutions have decided to terminate the collaborative agreement which allowed the colleges to share instructors and resources connected with this program.

**We accept the notification of the termination of the collaborative agreement with Vance Granville Community College and require no additional information.**

Best regards,
