Dear Dr. Boone:

Thank you for your letter of May 10, 2016, regarding the new certificate program in Introduction to Law Enforcement, effective fall 2016.

The program requires the successful completion of five Criminal Justice courses for a total of 15 semester credit hours. The program is designed to be completed in two semesters. All courses support the existing associate's degree program in Criminal Justice Technology.

The certificate program is a repacking of existing courses and does not appear to be a significant departure from current programs.

**We acknowledge the information, will add it to our files, and request no further information.**

Best regards,

Sarah L. Armstrong, Ph.D.
