Dr. John B. Boone
Dean of Institutional Effectiveness,
Accreditation, and Research, SACSCOC Liaison
Wake Technical Community College
Southern Wake Campus
9101 Fayetteville Road
Raleigh, NC 27603-5696

Dear Dr. Boone:

Thank you for your letter of May 5, 2017, to the Commission regarding ten new Certificate programs embedded in existing Associate in Applied Science (A.A.S.) degree programs, effective fall 2017. The Certificate programs and the A.A.S. degree programs in which they are embedded are:

- Preschool Foundations, A.A.S. in Early Childhood Education
- Hospitality Management Core, A.A.S. in Hospitality Management
- Procurement Management, A.A.S. in Hospitality Management
- Mechatronics, A.A.S. in Mechanical Engineering Technology
- Commercial Wiring, A.A.S. in Electrical Systems Technology
- Wiring Methods, A.A.S. in Electrical Systems Technology
- Residential Wiring, A.A.S. in Electrical Systems Technology
- Industrial Wiring, A.A.S. in Electrical Systems Technology
- Crime Scene Technician, A.A.S. in Criminal Justice Technology/Latent Evidence
- Emergency Science Technology, A.A.S. in Emergency Medical Science

These embedded certificate programs do not appear to be a substantive change. The Commission does not require notification.

We acknowledge the information and will add it to our files.

Best regards,

Kevin W. Sightler, Ph.D.
Director of Substantive Change
