In a letter dated August 12, 2019, SACSCOC stated that documents related to a program closure seemed to indicate that a new name had been given to the Introduction to Law Enforcement Certificate. The new certificate name was listed as the Introduction to Criminal Justice. Our letter indicated that if such was the case, the program was not a significant departure. If, indeed, the program was a newly created certificate with new curriculum courses, then the institution was asked to submit a notification to close one program and provide a prospectus for the new program.

Your response indicates that the courses already exist in the A.A.S. in Criminal Justice Technology and the only change was in the name of the embedded certificate program.

We acknowledge the information.

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501 or via email at learvin@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,
