Dear Dr. Boone:

Thank you for your letter of November 15, 2018, notifying the Commission of the intent to close the following off-campus sites, effective January 4, 2019:

Knightdale High School  
100 Bryan Chalk Lane  
Knightdale, NC 27545

Middle Creek High School  
123 Middle Creek Park Avenue  
Apex, NC 27539

Notification of offering 25-49% of credit toward a program at the sites was accepted in a Commission letter January 25, 2017. The institution was offering one criminal justice course at the two sites which was linked to a Criminal Justice Technology certificate. Due to low student enrollment and administrative changes in the Wake County Public School System, the seated course will no longer be offered at the sites.

Students who have completed the course will be allowed to complete the certificate at Wake Technical Community College (Wake Tech) upon graduation from their high school. Wake Tech faculty and equipment used at the sites will be transferred back to the Public Safety Education Campus which is the home of the Associate in Applied Science in Criminal Justice Technology program.

**We approve the closure of the Knightdale High School site and the Middle Creek High School site, effective January 4, 2019.**

Sincerely,

A handwritten signature in black ink that reads 'Kevin W. Sightler'. The signature is fluid and cursive, with a long horizontal flourish extending to the right.
