

July 9, 2019

Dr. Scott Ralls  
President  
Wake Technical Community College  
9101 Fayetteville Road  
Raleigh, NC 27603-5696

Dear Dr. Ralls:

This letter verifies that **Wake Technical Community College** is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award degrees and other credentials at the following level:

Associate

The institution's main campus is Southern Wake Campus, 9101 Fayetteville Road, Raleigh, NC 27603-5696.

The institution is not on sanction.

The institution's accreditation was reaffirmed in 2015. The next reaffirmation of accreditation is scheduled for 2025.

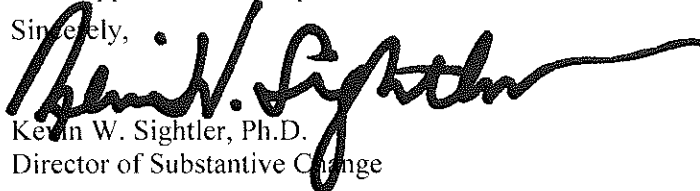

The following programs are included in the scope of accreditation:

- Associate of Applied Science (A.A.S.) degree program in Accounting and Finance
- Certificate program in Management Accounting Planning and Controlling
- Certificate program in Management Accounting Decision Making Certificate
- Certificate program in Income Tax Preparer
- Certificate program in Bookkeeping
- Certificate program in Accounting Software Applications
- Certificate program in Advanced Accounting Core
- Certificate program in Accounting Core

For the benefit of financial aid officers and other accreditation verifiers:

The Commission does not maintain an inventory of institutions' programs. The institution is the best source for program information. All programs offered by an institution are considered approved as of the date of the institution's last reaffirmation. Programs started after the last reaffirmation are either (1) approved by the Commission, in which case the institution can provide documentation of approval, or (2) the institution determined, and should be able to justify, the programs are not significant departures from existing programs and, therefore, neither notifications to nor approvals by the Commission are required. The Commission cannot provide evidence of program approval where program approval is not required.

Sincerely,

Kevin W. Sightler, Ph.D.  
Director of Substantive Change
