Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:  
**Program Closure**  
**Certificate Program in Loss Control Investigations**  
Submission date:  
**2/15/2019**  
Implementation date:  
**8/1/2019**  
Case ID:  
**SC005062**

Wake Technical Community College will close and create new certificate programs under the existing Associate in Applied Science (A.A.S.) degree programs in Criminal Justice, Fire Protection Technology, Early Childhood Education, and Accounting.

The Loss Control Investigations program under Fire Protection Technology will be closed. Students enrolled in the terminated certificate program will be notified of the closing and will be allowed to complete the program or transfer into another academic program. They will not incur any additional charges as a result of the program closure. No faculty or staff member will be affected by the closure. They will continue to work in the parent A.A.S. degree program.

**The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Certificate program in Loss Control Investigations.**

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501, ext. 4587 or via email at [learvin@sacscoc.org](mailto:learvin@sacscoc.org).

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Belle S. Wheelan, Ph.D.  
President
