Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:
Program Closure
Certificate in Fire Protection Technology
Submission date:
3/26/2021
Intended Implementation date:
8/16/2021
Case ID:
SC013769

Wake Technical Community College will close the Certificate program in Fire Protection Technology.

The students, faculty, and staff members associated with the program were notified of the closure by email or in online meetings. Students will be able to complete the certificate or transfer to other programs. Students will not incur additional expenses due to the closure. Faculty, staff, and equipment associated with the program will be redeployed to the new Associate in Applied Science (A.A.S.) degree in Public Safety Administration on the existing Public Safety Education Campus off-campus instructional site (OCIS).

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Certificate program in Fire Protection Technology.

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501 or via email at learvin@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.
