Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Certificate in Electronics Engineering Technology - Instrumentation

Submission date:

5/12/2021

Intended Implementation date:

5/17/2021

Case ID:

SC014175

Wake Technical Community College will close the Certificate program in Electronics Engineering Technology - Instrumentation.

The students, faculty, and staff members associated with the program were notified of the closure by email or in online meetings. Students will be able to complete the certificate through spring 2022 or transfer to other programs. Substitutions will be completed for courses no longer offered. Students will not incur additional expenses due to the closure. Faculty, staff, and equipment associated with the program will be redeployed to the related Associate in Applied Science (A.A.S.) degree program.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Certificate program in Electronics Engineering Technology - Instrumentation.

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501 or via email at learvin@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.
