Dear Dr. Scott:

Thank you for your letter of January 31, 2007, and the request that the on-site visit for the Western Wake Campus and the Northern Wake Campus be postponed until Spring 2008. As approved in my letter of February 8, 2007 (I'm sorry our letters crossed in the mail!), the combined visit in Spring Semester, 2008, is approved.

We wish you and your colleagues much success in this dramatic expansion of your physical plant and academic offerings.

Best regards,
